

# Charles (Terrance) Pinkard

---

**Objective** Seeking a challenging and responsible position in heavy equipment operation that will effectively utilize my training certification, experience, and interactive personal skills, while affording the opportunity for career growth.

**Work experience** October 1998-Present Wyrless Network Solutions Snellville, GA

**Contractor/Supervisor**

Responsibilities included helping install Cat 5 Fiber and Cisco Routers for small businesses and Home Networks. Duties included running Ethernet cable throughout the building or home, configuring hubs and routers, unpacking pc's and servers, and setting up TCP/IP protocols and subnet masks for customers. I was also responsible for the installation of DSL and Cable modems and helping users set up multiple email accounts on their systems.

**Education** November 2006-December 2006 Georgia School of Construction  
Heavy Equipment and Earth Moving

Nationally Certified by NCCER in Heavy Equipment Operations and Earth Moving.  
Some courses completed: grading, surveying & soils (including laser leveling), safety procedures, equipment maintenance, utilization of blue prints and rigging. Certificates earned: CPR Basic First aid.

Backhoe, Wheel Loader, Dump Truck, Skid Steer, Tractor, Water Wagon.
