

PRESS RELEASE – FOR IMMEDIATE RELEASE

Utilities Protection Center of Georgia

February 27th, 2007

Official Utilities Protection Center, Inc. Business

Duluth, GA – February 27th, 2007 – Utilities Protection Center, Inc. will be performing server maintenance tomorrow evening (February 28th, 2007) from 6:30pm – 7:30pm. During this time IRTH Web Entry and PRIS will be unavailable. Also during this time the Call Center will be unavailable to accept Damage and Emergency notifications. If you need to report a damage or have an emergency during the maintenance period, please contact the affected utility company directly, then report it to UPC after the maintenance is complete.

Thank you in advance for your cooperation. for your patience as we strive to improve our service.
