The GUCA Scholarship Foundation awarded the 2020 scholarships to 13 GUCA members' children this year. Those receiving scholarships are high school seniors and those seeking careers in the utility construction industry with an Industry Scholarship.

The Foundation gave one industry scholarship of \$2,000.00 to:

Bridges Borden, son of Wilson and Marianne Borden, The Erosion Company, Woodstock, Georgia. Bridges is attending Auburn University majoring in Civil Engineering. Bridges plans to pursue construction or jobsite management as well as develop land for new buildings and infrastructure.

The Foundation also gave twelve high school senior scholarships of \$1,000.00 each to:

Jay William Barlett, II, son of Jay and Gina Bartlett, City of LaGrange, LaGrange, Georgia. Jay graduated from Troup County High School and is attending Georgia Institute of Technology to obtain a degree in Mechanical Engineering with a minor in Robotics.

Wesley Clark, son of Chris and Julie Clark, Luck Stone Atlanta – Stephens Plant, College

Park, Georgia. Wesley graduated from West Forsyth High School and is attending Georgia College and State University to obtain a degree in Business Marketing.

Tucker Cobb, son of Jill Marino, AAA Signs & Safety Products, Inc., Jonesboro, Georgia. Tucker graduated from Newnan High School and is attending West Georgia University to obtain a degree in Film Production.

Nataly Garcia, daughter of Primitivo and Araceli Garcia, Diversified Utility Services, LLC, Morrow, Georgia. Nataly graduated from Buford High School and is attending the University of Georgia to obtain a degree in Engineering with a minor in Spanish Language.

Abigail Griffin, daughter of Randy and Jennifer Griffin, E.R. Snell Contractor, Inc., Snellville, Georgia. Abigail graduated from Gainesville High School and is attending Georgia College and State University to obtain a degree in Management.

Marlee Hopkins, daughter of Mike and Kelli Hopkins, Newton County Water & Sewerage Authority, Covington, Georgia. Marlee graduated from Georgia Cyber Academy and is attending the University of Georgia to obtain a degree in Human Development and Family Sciences.

Ezra King, son of James and Sandy King, DeKalb Pipeline Company, Conyers, Georgia. Ezra graduated from Eastside High School and is attending Wofford College to obtain a degree and Computer Science and Software Development.

Anna Knieper, daughter of John and Anne Knieper, SiteMix Pressure Grouting, Atlanta, Georgia. Anna graduated from West Forsyth High School and is attending The University of North Georgia to obtain a degree in Digital Marketing.

Matthew Scarbary, son of Kima and Tony Scarbary, Consolidated Pipe & Supply Co., Inc., Byron, Georgia. Matthew graduated from Windsor Academy and is attending Georgia College and State University to obtain a degree in Physical Therapy.

Rayna Swafford, daughter of Russell and Misty Swafford, Vertical Earth, Inc., Cumming, Georgia. Rayna graduated from Forsyth Central High School and is attending Georgia State University to obtain a degree in Early Childhood Education.

Kathryn Temple, daughter of Vicki and Dennis Temple, Civil Site Services, Inc., Fayetteville, Georgia. Kathryn graduated from Strong Rock Christian School and is attending the University of Georgia to obtain a degree in Accounting and International Business.

Jackson Turpin, son of Ashley and Lacy Turpin, Turpin, Inc., Forest Park, Georgia. Jackson graduated from Locust Grove High School and is attending Georgia Southern to obtain a degree in Civil Engineering.

2020 SPORTING CLAY EVENT

Due to the Coronavirus outbreak and the Governor's Shelter-In-Place executive order, the GUCA Scholarship Foundation Sporting Clay event at Big Red Oak Plantation in Gay, Georgia was postponed until July 24, 2020. We hope to see you there!
