

Attention GUCA Members*

Do you have a child graduating high school this year? Or, do you have a child in a construction degree program at college?

THIS MESSAGE IS FOR YOU!

\$1,000 scholarship opportunities for high school graduates to a college and major of their choice for GUCA members' children.

\$2,000 scholarship opportunities for currently enrolled college students majoring in construction or engineering degree programs for GUCA members' children or if a student is currently employed with a GUCA member company.

Please contact GUCA at 404-362-9995 to request an application or visit the GUCA website at www.guca.com hover over About then click on Scholarship Foundation to download the scholarship applications.

Application deadline is April 1, 2022!

*2022 GUCA membership dues must be paid in full for employees' children to be eligible for a scholarship.
