The GUCA Scholarship Foundation awarded the 2022 scholarships to 10 GUCA members' children or employees this year. Those receiving scholarships are high school seniors and those seeking careers in the utility construction industry with an Industry Scholarship.

**The Foundation awarded six industry scholarships of \$2,000.00 to:**

**Bridges Borden**, son of Wilson and Marianne Borden, The Erosion Company, Woodstock, Georgia. Bridges is attending Auburn University majoring in Civil Engineering. Bridges plans to become a project manager to gain experience and continue his education to obtain his PE and own his own business.

**Andrew Ferguson**, son of James and Shannon Ferguson, Reeves Young, LLC is attending Georgia Southern University majoring in Construction Management.

He has worked for United Grading as an assistant GPS manager. He is pursuing a career as a project engineer.

**Justus Scott** is attending Western Kentucky University majoring in Construction Management. He is currently employed with Cleary Construction, Inc. as an estimator. He is pursuing a career as a project manager.

**Thomas Halliburton** is attending Georgia Southern University majoring in Construction Engineering. He is currently employed with Titan Electric as an estimator. Thomas is pursuing a career in land/roadway surveying and his goal is to become a licensed land surveyor and specialize in construction layout.

**Will Halliburton** is attending Georgia Southern University majoring in Construction Management. He is currently employed with Titan Electric as an estimator. Thomas is pursuing a career in the electrical field and becoming a project manager.

**Logan Swafford** is attending Kennesaw State University majoring in Civil Engineering. He is currently employed with Vertical Earth, Inc. as an estimating intern. Logan is pursuing a career in Civil Engineering.

**The Foundation also awarded three high school senior scholarships of \$1,000.00 each to:**

**Dylan Appling**, son of Derick and Vicki Burrell, Reeves Young, LLC, Sugar Hill, Georgia. Dylan will graduate from Buford High School and will attend Vanderbilt University to obtain a degree in Political Science.

**Charles Leverette**, son of Joey and Kim Leverette, Macon Water Authority, Macon, Georgia. Charles will graduate from Professional Academics Magnet/Lofton High School and will attend Piedmont University to obtain a degree in Mechanical Engineering.

**Samantha Stiller**, daughter of Robert and Suzanne Stiller, Reeves Young, LLC, Sugar Hill, Georgia. Samantha will graduate from North Gwinnett High School and will attend Georgia State University to obtain a degree in Marketing.

**The Foundation also awarded the Don and Diana Scarbrough scholarship of \$1,000.00 to:**

**Connor Ferguson**, son of James and Shannon Ferguson, Reeves Young, LLC, Sugar Hill, Georgia. Connor will graduate from North Forsyth High School and will attend the University of Montevallo to obtain a degree in Marketing.
